2. Go to the back stage area and give your Competitor Number to the backstage manager.
3. Be prepared to answer any questions about your performance (eg Will you be starting on stage or off stage? Will you finish by leaving the stage? What props do you require? etc).
4. Take a seat backstage and wait quietly for your number to be called before stepping onto the stage. (Remember that any noise made backstage can be heard by the audience. Don't disadvantage other competitors by talking and laughing.)
5. No prompting from the audience will be permitted. Competitors who are prompted will face disqualification.
6. At the end of the section adjudication sheets may be collected from the Eisteddfod Office (at the top of the staircase closest to the Box Office).

ALL AUDITORIUM PERFORMERS PLEASE NOTE...

The backstage area is very busy! You must arrive early and register your competitor number and the title of your performance

with the backstage manager at least 15 minutes before your section begins. Once you have registered, remain either backstage or in a dressing room to hear any calls regarding your section. If you are not backstage when needed, you may miss your chance to perform.

A competitor who has withdrawn, or fails to register prior to the commencement of a section (unless having notified the Office and gained permission for late arrival), will not be eligible to compete in that section.

ADJUDICATOR PROFILES

Ballet, Tap, Modern and National Dancing

MRS ROWENA SANDERSON

Commencing lessons at the age of 2 years under the guidance of her mother Mary Garvie and then Beverley Rowles and Lois Foster, Rowena has been passionate about dance and theatre all of her life. Studying Ballet, Tap & Jazz for many years, she achieved much success in examinations and eisteddfods throughout the country.

Rowena has been teaching and choreographing for over 30 years and is a registered member of the B.D.A (British Dancing Association - Stage Branch) and Secretary of the A.D.A (Australian Dance Adjudicators). For many years, she owned and operated a large, successful Dance Studio in the Wollongong area of NSW where she trained students in R.A.D. Ballet, B.D.A Tap, Modern / Contemporary, National Character and all styles of Jazz. The Studio was sold to allow more time with her family and also her love of Musical Theatre and Adjudicating. She has choreographed and performed in several musicals and was also involved in the Rock Eisteddfod Challenge for many years. More recently, Rowena was involved with Wakakirri for primary schools. Rowena has adjudicated numerous eisteddfods and festivals throughout Australia and is very sought after in this field. She is also on the 'Showcase and Hollywood Bound' judging team. She believes in solid technique and strong performance skills.

Many of her past students are now dancing, choreographing and teaching professionally, both here and overseas. Her husband, son, mother, sister, brother and sister-in-law are also qualified dance teachers. In fact, her whole family is involved in theatre either on stage or in the technical field.

Rowena delights in adjudicating and encouraging the competitors to do the best they can and be proud of their achievements - No matter the result!

Highland Dancing

MRS KYLIE KERR

Born into a family with a love of Scottish culture, Kylie commenced Highland Dancing at the age of three, learning from her mother Veronica McFarland. Her competitive career was cut short due to injury; however, this sparked the early beginning to her teaching of this wonderful sport.

Kylie is a teacher with the Veronica Law School of Highland and Scottish National Dance on the Central Coast of NSW. The School has celebrated many successes with dancers they teach through a focus on personal best and a love of dance. They have proudly shared achievements with their students through numerous championship titles including Australasian, International, Champion of Champions of Australia as well as World Championship finalists and Cowal medal winners. Kylie is a member of the Scottish Dance Teacher's Alliance and Central Coast Highland Dancing. She was most pleased to join the SOBHD Judges Panel in October 2015. Kylie has held many administrative roles including being a delegate to the NSW State Committee and Australian Board of Highland Dancing. She is the Technical Secretary for CCHDI and the Event Coordinator of the International Highland Dancing Championships of Australia.

Kylie enjoyed being a member of OzScot Australia as a dancer and assistant manager for Tattoos in Australia, Oman and Scotland. She treasures the friendships made through Highland Dancing.

Kylie and her husband Dave cherish family life with their five children, some of whom are highland dancers. As a secondary English Head Teacher, Kylie is dedicated to ensuring learning is a positive experience.

Kylie wishes the organisers and dancers a most successful day and hopes the enjoyment for your dancing continues long into the future.

Piano and Instrumental

DR. MARK GRIFFITHS

PhD, BMus(Hons), GradDipMus, LMusA

Dr. Mark Griffiths has established a successful portfolio career in teaching, examining, adjudication and research. He is a graduate of Queensland Conservatorium Griffith University, where he has been a tertiary and pre-tertiary specialist lecturer since 1998. His professional activities are informed by ongoing reflective practice with student cohorts from early childhood to adults of tertiary level. Mark's doctoral research at QCGU focused on investigating pedagogical strategies used to foster expressive performance skills within pre-tertiary pianists. His research interests lie in reflective practice, expressive performance, one-to-one pedagogy, gesture, and movement analysis. An influential clinician, Dr. Griffiths has led piano masterclasses in Queensland and Victoria. He regularly speaks at pedagogy symposia, and adjudicates competitions and eisteddfodau across Australia.

School Instrumental

DR CADE BONAR

EdD, MEd, BMus (Dist), BEd (Hons)

Cade has taught in Queensland State and independent schools as both a classroom and multi-instrumental music teacher. He graduated from the Queensland University of Technology with a Bachelor of Music (majoring in classical trumpet), Bachelor of Education and Master of Education. He was a founding member and past player of the Queensland Wind Orchestra, and is currently engaged with the Queensland Youth Orchestra Wind Ensemble as a tutor and sessional conductor. He has also held engagements as a clinician and conductor for various school workshops and honour ensembles across south-east Queensland. In 2007, Cade established the Sunshine Coast Honours Wind Ensemble Program (SCHWEP) – an annual wind band program for musically advanced students of local state and independent schools – which aimed to not only provide for students musically, but also to draw local schools together to network and support music-making at a high level.

Since 2006, Cade has been the Head of Music at St Andrew's Anglican College, a large independent school on the Sunshine Coast, Queensland. His role over the years has shifted to leading the Prep to Year 12 Music curriculum, and he currently teaches classroom music in the Primary and Secondary school. Cade is passionate about curriculum, pedagogy and assessment in music, and is fortunate to be able to further explore this through his work with the Queensland Curriculum and Assessment Authority (QCAA). He is the District Review Panel Chair for Music, overseeing school-based moderation in the subject across schools on the Sunshine Coast. He is also a member of the State Panel for Music and has been involved in various other roles with the QCAA. In 2016, Cade was appointed External Lead Writer for the redevelopment of the senior Music syllabus (QCAA). These experiences, in addition to regular assessment and evaluation in the music classroom, offer an informed insight into the evaluation of music performance across a variety of contexts and styles.

Cade also coordinates and teaches within the Year 4 and 5 Music Immersion Program at St Andrew's. This program sees every Year 4 and 5 student learn a band or string instrument as part of their academic program for these two years. He also conducts the String Orchestra at his school. This middle school ensemble, which draws on students with a wide range of abilities, has achieved several Platinum awards at MusicFest (in both A and B Grades), and is competitive at local and regional eisteddfods and competitions. At the end of 2016, Cade completed his Doctor of Education with Griffith University. His

doctoral research was situated within his own classroom, where within he engaged an action research methodology to investigate pedagogies and practices that enhance access to meaningful school music education. He maintains a close connection with tertiary institutions, namely Griffith University and the University of the Sunshine Coast, where since 2012, he has been involved as a sessional academic in writing courses, lecturing, tutoring and course coordination in music and music education. These experiences provide an invaluable opportunity for reflection into his professional practice as a teacher.

Cade is passionate about young people accessing quality music education. He enjoys being a 'continuous student' (hence the doctorate!) and learning from and with the students he has the opportunity to work alongside each day.

She studied Speech and Drama with Miss Rhoda Felgate, and completed her Licentiate in Speech and Drama with the Australia Music Examinations Board (AMEB).

Irish Dancing

CLARE MCNEILL-ARNALL

BA (HONS) MIT MTEM TCRG ADCRG

Clare was born and raised in London, England to parents from Galway and Wexford. Her family was entrenched in their Irish culture of music and dance so commencing dancing at age four with the renowned school, Griffin O'Loughlin, was a natural step. In her teens, Clare undertook tuition from another World Champion teacher Tony Tyrrell, which further progressed her skills and success.

Clare's ability increased along with her love for Irish dancing, and success at the highest level of competition blossomed. In solo and team dances she accumulated outstanding accolades throughout her dancing career including placing seventh at both The British Nationals and The Great Britain and being an All Ireland Medal holder.

In 1996, Clare was scouted to join a new and innovative Irish dance show, but made the tough choice of furthering her education in university. After a five year break from dancing, emigrating to Queensland and the need to meet new people provided the spark to

compete again. Clare quickly regained her youthful form to place third in the Queensland State Championships Senior Ladies just four months after her return to dancing.

Clare passed her teachers examinations (TCRG) in 2009, and her adjudicator exams (ADCRG) in 2016; both on her first attempt and with high scores.

McNeill Academy of Irish Dance, Clare's own dance school, was founded in 2013 out of her home and has since grown to three locations on the Northern Gold Coast. The past three years have seen McNeill Academy students achieve Queensland State Champions (solo and ceili) , and top three podium places at the Australian International Oireachtas (AIO) as well as having dancers placed at The Australian Nationals.

Aside from teaching and adjudicating, Clare is a wife, and mum to two gorgeous little girls. She holds a bachelor's with honours degree, two masters degrees, and other vocational qualifications. Prior to becoming a mother and Irish Dance teacher, and Adjudicator, Clare worked in the University sector. Clare embraces all areas in her life with passion and dedication, and loves the lifestyle, camaraderie, and enjoyment Irish dancing brings to her and others.

Stephanie enjoys teaching masterclasses and adjudicating choral eisteddfods and voice competitions across Queensland. She works as a full-time voice teacher between St Margaret's Anglican Girls School and All Hallows' School and is a voice lecturer and co-ordinator of the contemporary and jazz voice area within Open Conservatorium at the Queensland Conservatorium, Griffith University.

In July 2018, Stephanie travelled to the United States to study at The LoVetri Institute of Somatic Voicework, Baldwin Wallace University, Ohio, USA. She completed all three levels of Somatic Voicework while at the university, led by esteemed pedagogue, Ms Jeanette LoVetri with an elite faculty of voice specialists, Broadway music directors, speech pathologists and laryngologists. While Stephanie was in the States this year, she also travelled to New York to learn from Grammy Award nominated vocalist and educator Theo Bleckmann and voice teacher and jazz vocalist, Ms Brenda Earl Stokes. Stephanie works closely with Brisbane speech pathologist, Lesley Henderson to assist vocalists in the rehabilitation of their singing voices from a functional singing level. She is a committee member of the QLD Chapter of ANATS. She is also a member of NYSTA (USA) and the Australian Voice Association. RULES AND CONDITIONS

The following is an excerpt from the Rules and Conditions. A full record of the Rules and Conditions is printed in the Preliminary Schedule. Competitors are asked to read these Rules and Conditions carefully.

This competition is open to amateurs only. The term 'amateur' is defined as one whose principal source of income is not derived from performing that talent required for any sections entered. This condition does not apply to conductors or accompanists.

Entrants must appear in their section in program order or forfeit their right to perform (except where prior arrangement has been made with Eisteddfod Office-see below). Competitors **will not** be allowed to swap from one part to another where sections have been split (eg A & B).

We do try to prevent clashes between items of different art forms. However, it is possible, given the thousands of performances that two of your items may clash. Should this occur:

1. See a committee member in the Eisteddfod Office at least one day before the scheduled performances.
2. The committee member will arrange for you to perform "out of turn" so that you may compete in both sections.
3. Changes to the program can only occur through this process. Under no circumstances should a competitor, or representative, request special consideration from anyone other than a committee member working in the Eisteddfod Office.

Competitors who do not intend to compete in a section for which they have entered should notify the Eisteddfod Office before the time appointed for that section.

In all **own choice** a copy of the item to be performed must be supplied for Adjudicator's use. This copy, together with full particulars of item attached, must be submitted at the Eisteddfod Office, Parish Hall, Cnr Gordon & Wood Street:

Wednesday 19th to Saturday 22nd September: 9am – 2pm

Friday 21st September (extended hours): 9am – 5pm

ANY OWN CHOICE MATERIAL NOT RECEIVED BY SATURDAY 22nd SEPTEMBER AT 2PM WILL RESULT IN THE COMPETITOR BEING DISQUALIFIED. NO LATE OWN CHOICE SUBMISSIONS WILL BE ACCEPTED.

No submitted material may be exchanged after 2pm on Saturday 22nd September. Minor changes on the material submitted by the due date will be allowed up to 24 hours before the performance. The onus is on the competitor to ensure that the material lodged during own choice week is correct as exchanges will not be permitted.

The Eisteddfod Committee will not be liable for any copyright infringement relating to the submission of photocopied material. Entrants submit copies and works at their own risk. All photocopies submitted for the Adjudicator's use will be destroyed after the completion of the section.

No teacher or parent will be allowed on stage unless as an accompanist or conductor. No competitor may use the stage without permission from the Stage Manager.

An adjudication award sheet will be provided after the Adjudicator's decision has been made known (excluding Highland & Irish), and will be available from the Eisteddfod Office. Prize monies, which must be signed for, will also be available from the Eisteddfod Office after the

Adjudicator's decision has been made known. Eisteddfod Office is upstairs at Mackay Entertainment Centre (stairs near door 1).

No prompting from the audience will be permitted in any section, or the competitor could face disqualification at the discretion of the Adjudicator or the Committee. No unauthorized person is allowed to stand in the wings during the performance.

Unauthorised Communication with Adjudicators is **STRICTLY PROHIBITED**. If it is established that any entrant or persons associated with an entrant has made contact with an Adjudicator in the course of the Eisteddfod, the Committee reserves the right to disqualify that entrant from competition.

The ringing of the bell before the item is completed does not necessarily mean that the Adjudicator is dissatisfied, but that sufficient has been heard or seen of that particular item to enable a decision to be made. Adjudicators are requested to exercise this prerogative where entries are numerous in any section or where an item is unduly long.

Competitors must not have had any tuition from any of the Adjudicators for a period of six months prior to the commencement of the Eisteddfod.

Competitors may face disqualification if they do not strictly adhere to time limits set out for various sections. In sections where a time limit is specified, the ringing of the bell will indicate that the time limit has been exceeded and the competitor must cease to perform.

The same item (or part thereof) must not be performed more than once by the same competitor during the currency of the Eisteddfod (excluding Highland and Irish).

The Committee reserves the right to refuse any entry and to alter the order of the program without prior notice.

No protest concerning the eligibility of a competitor to compete will be permitted unless made in writing to the Secretary before the commencement of the Eisteddfod, accompanied by a fee of \$20. No other protest or disputed matter will be permitted unless made in writing and handed to the Secretary within half an hour of the case arising, accompanied by a fee of \$20. In all cases the fee will be forfeited if the protest or dispute is deemed frivolous. The decision of the Protest Committee will be final.

The Adjudicator has the right to withhold any prize where he / she considers there is not sufficient merit. Official First, Second and Third Prize certificates will be awarded in all sections where the Adjudicator awards such placing. Competitors compete at their own risk.

The use of tape recorders, videos and cameras or any digital recording device of any kind by the audience is prohibited. The Eisteddfod Committee reserves the right to record, film, broadcast, videotape or post on our website any item or section of the Eisteddfod.

A high standard of decorum is expected from all participants and spectators. Unseemly behaviour will result in offenders being asked to leave and offending entrants to be disqualified. In order to control backstage capacity numbers set by our venue we must enforce a one parent per performer rule. If you don't need to be back stage you will be asked to move to the foyer.

The decision of the Committee shall be final and binding in all matters relating to the interpretation of the Rules and Conditions of the Eisteddfod.

AGGREGATE TROPHY WINNERS

The results of each respective aggregate trophy winner shall be determined by a points system in each section as follows: First place - 10 points; Second - 7 points; Third - 5 points; Fourth - 3 points; Fifth - 2 points; Sixth - 1 point; Seventh - 1 / 2 point; Eighth - 1 / 4 point.

At the conclusion of the Eisteddfod the points received by each competitor will be added and the competitor obtaining the most points will be declared the winner. This 'points system' does not apply to Highland and Irish Dancing Competition.
