## Highland Dancing

### Christine Shield

It's a great honour to be asked to adjudicate the Mackay Eisteddfod, being held in the city where my love of dancing began. Not only have I taught many dance forms including Highland, Irish, Ballet, Tap and Jazz, I have been part of the community theatre lending my choreography skills. I became an Adjudicator with ABHDI in 1987 and later joined the world-wide panel of SOBHDI adjudicators. I still enjoy teaching and have conducted Highland workshops throughout Queensland. Most recently I have completed my training as an examiner with NDAA. Over the past 32 years I have held numerous adjudicating positions at regional competitions, State and National Championships across Australia, including The Queensland Highland Dancing Championship, the Victorian Championship in Daylesford, The Grand Australasian Championship in Sydney, The International Championship of Australia on the Central Coast NSW, the WA State Championship in Perth and Champion of Champions in Brisbane. Internationally I have travelled to New Zealand to adjudicate their National Highland Dancing Championship. A highlight was my selection as the Australian ABDHI representative on the judging panel for the Cowal World Highland Dancing Championship in Dunoon Scotland in August 2017.

## Irish Dancing

### Bernadette Weeks

It is a wonderful honour for me to be adjudicating the Irish Dancing sections at the Mackay Eisteddfod. I started Irish Dancing in a school hall at the age of 5 with Yvonne O'Brien, a very respected and successful teacher in Australia and Irish Dancing has been a major part of my life ever since. I was a member of Yvonne's school until I retired from competitive dancing at the age of 21, having competed at all levels of competition, including State and Australian Championships in both Solo and Ceili dancing. I competed at two World Championships in 1981 at Dun Laoghaire and in 1983 at Galway, which were both wonderful experiences. I have been fortunate enough to have adjudicated all over Australia and also in New Zealand and am very much looking forward to adjudicating the 2019 Mackay Eisteddfod. Wishing the organisers, teachers and dancers all the very best of luck for an enjoyable and successful competition.

# RULES AND CONDITIONS

The following is an excerpt from the Rules and Conditions. A full record of the Rules and Conditions is printed in the Preliminary Schedule. Competitors are asked to read these Rules and Conditions carefully.

This competition is open to amateurs only. The term 'amateur' is defined as one whose principal source of income is not derived from performing that talent required for any sections entered. This condition does not apply to conductors or accompanists.

Entrants must appear in their section in program order or forfeit their right to perform (except where prior arrangement has been made with Eisteddfod Office-see below). Competitors **will not** be allowed to swap from one part to another where sections have been split (eg A & B).

We do try to prevent clashes between items of different art forms. However, it is possible, given the thousands of performances that two of your items may clash. Should this occur:

1. See a committee member in the Eisteddfod Office at least one day before the scheduled performances.
2. The committee member will arrange for you to perform "out of turn" so that you may compete in both sections.
3. Changes to the program can only occur through this process. Under no circumstances should a competitor, or representative, request special consideration from anyone other than a committee member working in the Eisteddfod Office.

Competitors who do not intend to compete in a section for which they have entered should notify the Eisteddfod Office before the time appointed for that section.

In all **own choice** a copy of the item to be performed must be supplied for Adjudicator's use. This copy, **MUST BE SUBMITTED** (Excluding Speech & Drama) together with full particulars of item attached, During OWN CHOICE WEEK - Thursday 19th & Friday 20th September- 9.00am - 5.00pm Saturday 21st September- 9.00am - 2.00pm

Venue: Senior Citizens Hall, Macalister Street, Mackay

**ANY OWN CHOICE MATERIAL NOT RECEIVED BY SATURDAY 21st SEPTEMBER AT 2PM WILL RESULT IN THE COMPETITOR BEING DISQUALIFIED. NO LATE OWN CHOICE SUBMISSIONS WILL BE ACCEPTED.**

No submitted material may be exchanged after 2pm on Saturday 21st September. Minor changes on the material submitted by the due date will be allowed up to 24 hours before the performance. The onus is on the competitor to ensure that the material lodged during own choice week is correct as exchanges will not be permitted.

The Eisteddfod Committee will not be liable for any copyright infringement relating to the submission of photocopied material. Entrants submit copies and works at their own risk. All photocopies submitted for the Adjudicator's use will be destroyed after the completion of the section.

No teacher or parent will be allowed on stage unless as an accompanist or conductor. No competitor may use the stage without permission from the Stage Manager.

An adjudication award sheet will be provided after the Adjudicator's decision has been made known (excluding Highland & Irish), and will be available from the Eisteddfod Office. Prize monies, which must be signed for, will also be available from the Eisteddfod Office after

the Adjudicator's decision has been made known. Eisteddfod Office is upstairs at Mackay Entertainment Centre (stairs near door 1).

No prompting from the audience will be permitted in any section, or the competitor could face disqualification at the discretion of the Adjudicator or the Committee. No unauthorized person is allowed to stand in the wings during the performance.

Unauthorised Communication with Adjudicators is **STRICTLY PROHIBITED**. If it is established that any entrant or persons associated with an entrant has made contact with an Adjudicator in the course of the Eisteddfod, the Committee reserves the right to disqualify that entrant from competition.

The ringing of the bell before the item is completed does not necessarily mean that the Adjudicator is dissatisfied, but that sufficient has been heard or seen of that particular item to enable a decision to be made. Adjudicators are requested to exercise this prerogative where entries are numerous in any section or where an item is unduly long.

Competitors must not have had any tuition from any of the Adjudicators for a period of six months prior to the commencement of the Eisteddfod.

Competitors may face disqualification if they do not strictly adhere to time limits set out for various sections. In sections where a time limit is specified, the ringing of the bell will indicate that the time limit has been exceeded and the competitor must cease to perform.

The same item (or part thereof) must not be performed more than once by the same competitor during the currency of the Eisteddfod (excluding Highland and Irish).

The Committee reserves the right to refuse any entry and to alter the order of the program without prior notice.

No protest concerning the eligibility of a competitor to compete will be permitted unless made in writing to the Secretary before the commencement of the Eisteddfod, accompanied by a fee of \$20. No other protest or disputed matter will be permitted unless made in writing and handed to the Secretary within half an hour of the case arising, accompanied by a fee of \$20. In all cases the fee will be forfeited if the protest or dispute is deemed frivolous. The decision of the Protest Committee will be final.

The Adjudicator has the right to withhold any prize where he / she considers there is not sufficient merit. Official First, Second and Third Prize certificates will be awarded in all sections where the Adjudicator awards such placing. Competitors compete at their own risk.

The use of tape recorders, videos and cameras or any digital recording device of any kind by the audience is prohibited. The Eisteddfod Committee reserves the right to record, film, broadcast, videotape or post on our website any item or section of the Eisteddfod.

A high standard of decorum is expected from all participants and spectators. Unseemly behaviour will result in offenders being asked to leave and offending entrants to be disqualified. In order to control backstage capacity numbers set by our venue we must enforce a one parent per performer rule. If you don't need to be back stage you will be asked to move to the foyer. The decision of the Committee shall be final and binding in all matters relating to the interpretation of the Rules and Conditions of the Eisteddfod.

## AGGREGATE TROPHY WINNERS

The results of each respective aggregate trophy winner shall be determined by a points system in each section as follows: First place - 10 points; Second - 7 points; Third - 5 points; Fourth - 3 points; Fifth - 2 points; Sixth - 1 point; Seventh - 1 / 2 point; Eighth - 1 / 4 point.

At the conclusion of the Eisteddfod the points received by each competitor will be added and the competitor obtaining the most points will be declared the winner. This 'points system' does not apply to Highland and Irish Dancing Competition.
