## INFORMATION FOR ALL PERFORMERS

### General Performance Information

1. Please arrive early, at least 15 to 30 minutes before the scheduled start of your session.
2. All competitors must check in before the beginning of their section with the stage manager / marshal. Be prepared to answer any questions about your performance.
3. A competitor who fails to check in prior to the start of a section will not be eligible to compete in that section but may still perform.
4. **\*NEW RULE\*** No competitor will be allowed to have a mobile phone or other mobile device side stage. This applies to competitors across all art forms.
5. Wait quietly for your number to be called before stepping on the stage.
6. No prompting from the audience or side stage will be permitted. Competitors who are prompted will face disqualification.
7. Remember that any noise made backstage can be heard by the audience. Do not disadvantage other competitors by making excessive noise side stage or backstage.
8. Audio critiques (where applicable) will be available after the completion of the session. Adjudication sheets (where applicable) can be collected from the Eisteddfod office at the venue.

### Speech & Drama

*In addition to the general performance information above:*

- Check in with the speech & drama marshal before your section begins. They will be located outside the Green Room.
- Competitors will be able to use the Green Room for costume changes.
- Competitors will be marshaled outside the Green Room and will enter the stage from this hallway. If competitors prefer they can sit in the audience and enter the stage from there, but they must purchase a ticket and check in with the marshal beforehand.

### Dance

The backstage area is very busy! Once you have checked in for your performance, remain either backstage or in a dressing room to hear any calls regarding your section. If you are not backstage when needed, you may miss your chance to perform.

### CLASHES

Entrants must appear in their section in program order, or forfeit their right to perform, except when clashes between art forms occur and prior arrangement has been made with a committee member at the Eisteddfod Office. Competitors will not be allowed to change to another sub-section where sections have been split into A and B, etc.

We do try to prevent clashes between items of different art forms; however, it is possible given the thousands of performances that two of your items may clash.

Should this occur:

1. See a committee member in the Eisteddfod Office at least one day before the scheduled performances.
2. The committee member will arrange with the Artform head if it is possible, for you to perform out of turn so that you may compete in both sections.
3. Changes to the program can only occur through this process. Under no circumstances should a competitor, or representative, request special consideration from anyone other than a committee member working in the Eisteddfod Office.

### WITHDRAWALS

Competitors who do not intend to compete in a section for which they have entered should notify the Eisteddfod Office before the time appointed for that section.

# MACKAY EISTEDDFOD ASSOCIATION INC.

A positive attitude can make all the difference on and off the stage.

Believe in yourself, and you can achieve anything.

Success is not just about winning; it's about doing your best and having fun.

Respect your opponents and always play fair.

The only way to improve is to keep practising and never give up.

Success is not final, failure is not fatal: it is the courage to continue that counts.

**Thank you to all our competitors, spectators  
and volunteers for being a part of the 78<sup>th</sup>  
Annual Macrossan & Amiet Mackay Eisteddfod.  
See you in 2026!!**
